RE: OP 7571, Reinforcing Steel Bid, sole bidder

Date: February 6, 2012

I recommend approval and award of this sole bid for the following:

1. The single bidder Construction Materials Inc., (CMI) has successfully provided this material to the City of Minneapolis Public Works Department in the past.
2. Their material meets MNDOT criteria for reinforcement steel on MNDOT projects.
3. Review of their bid prices comparing 2012 from 2011 prices shows that their prices are reasonable and in line for their bided products.
4. In the particular supply of this reinforcement steel items are unique in the metro area and there are no other competitors.

Therefore approval for this bidder is justified.

Larry Matsumoto, PE  
Transportation Maintenance and Repair Division/Paving  
Public Works
